[espc-dcrrc] FBL Email Sample from a Member

"Hi XXXXXXXX,

Thank you for contacting Yahoo Mail.

For you to receive CFL reports, your company emails should be delivered to Yahoo! users' inbox. moving the mail from the spam folder to the inbox and then clicking span will not generate a report. Once the spam reports reach a certain threshold the spam clicks will be compiled in a report, then sent to your FBL account.

Note: One "spam" complaint click will not generate a report. A report will be generated when a certain threshold number of spam clicks are received based on your sending volume. Due to our Privacy Policy, we cannot disclose the exact threshold number.

Regards,

Frank
